DESIGNED FOR DISCIPLESHIP

PRAYER GUIDE

PRAISE / THANKSGIVING / ASKING

01 PRAISE

Spend a few moments praying prayers of praise! (Here's a few examples to get you started.)

I praise You, Lord because You are our all-powerful, all-knowing God who loves us and knows what we need!

I praise You because You are more than able to provide all that is needed for this project!

I praise You, Jesus because you are merciful, kind, compassionate and generous. You have blessed us exceedingly! You always provide and empower your people to accomplish Your will, and I know you will continue to bless and provide for the work you have called us to now!

02 THANKSGIVING

Now, take time to thank the Lord for what He has done! (Here's some prayer-starters to get you going.)

Thank You, Lord Jesus for giving us life, loving us and giving Yourself for us to save us and make us a part of Your family!

Thank You for every good thing that we have comes from You!

Thank You, God for the opportunity to partner with you in Your work, and for growing our church so much that we need more space for discipleship. Thank you for the ways you have used us in the past to expand our small part of Your great kingdom and thank You for what you are doing and will be doing through us now!

ASKING

Finally, begin asking God for specific things regarding our stewardship campaign and building program.

(Below is a list of things to pray about, but don't let yourself be limited to this list! Pray as the Holy Spirit leads you!)

- For wisdom, direction, discernment and Holy Spirit anointing for all the necessary plans and decisions
- For Pastor Paul and the entire staff as they lead us through this time of building
- For every sermon and lesson that is taught throughout the church that teaches us about giving
- For everyone who calls F.A.C. their "church home" to hear and understand the vision, to diligently seek God's direction for each of us personally, and that we might eagerly and generously respond with open hands and hearts
- For the members of the building committee
- For the campaign leadership team
- For the architects, designers, lenders, and actual builders to have divine protection, skill, ability, inspiration and efficiency as they do their work
- For every child, teen and adult that will fill the new rooms, that they will be discipled and molded more into the image of Christ by all the activities that will happen in those spaces
- For the Kingdom of God to grow because of what is being done through this project
- For anything and everything else the Spirit directs you as you pray
